

ATHENA SPIDER SWIVEL

Athena Spider is a contemporary dining chair with a comfortable upholstered seat and backrest on swivel spider legs. The base is available with automatic memory swivel option that is very convenient. The seat has a steel structure with "S" shape springs for extra flexibility and strength. This steel frame molded by injecting polyurethane foam. Athena Spider may be upholstered with variety of other colors as a special order with a minimum quantity requirement. The chair is suitable for residential use only. Athena Spider is designed by Industrial Modern Team.
